South East Division Council 2026

Division Councils were formed in 1996 and provide a forum to discuss and represent general caravanning matters on behalf of all our club members living within this Division area.

Through the Division Council we have the opportunity for communication to the Club Council and the Executive Committee and also the Club's Sub-Committees.

As laid down in the Constitution of a Division, the council consists of :

- ◆ One member of each Centre Committee

Your thoughts and opinions are important, so please talk with your representatives for the coming year. There will be three Division Council Meetings during 2026 and your concerns or points can be raised and discussed
